Hi Jamey: Excellent. Thank you for your quick response. Regarding the agenda, it would be great if we could get the agenda by the afternoon of the 12th, so Heather and I can go over it with the Council on the 13th when we meet with them to prepare of the meeting on the 14th.

I can let you know on the 13th in the PM what version of the MOU will work.

Thank you

Rob

Hi Rob,

I need to coordinate with Jim Woods on the final agenda, but my understanding from earlier discussions and meetings is the items you had previously identified seemed fine to everyone. I will let you know as soon as I coordinate with Jim.

Attached is the final MOU. As we discussed previously there are two versions, one identifying NVT as simply "NVT", and one

identifying NVT as "NVT--IRA Council". Other than that they are exactly the same. The plan is to present the original version for signature unless President Standifer and the Council prefer to sign the version identifying NVT as NVT--IRA Council (If we could get a determination on which version they would like to go with in advance of the meeting that would be ideal, but we will be ready with both versions if that's not possible).

Regarding press releases, etc. my understanding is that the meeting will be closed to the press, and the Administrator's Office does not have any plans for a formal press release or anything of that nature. At the request of the RA's office I have also attached a Bio for Regional Administrator McLerran if you would like to share it with President Standifer and the Council prior to the meeting.

I know Regional Administrator McLerran is looking forward to meeting with President Standifer and the Council as well. Thanks Rob and feel free to give me a call to discuss anything.
